Congratulations on your purchase of the Back Seat Saver. We believe that you will find it a product of unsurpassed quality and durability. This product will make traveling with your pet or outdoor supplies, convenient and hassle-free.

The package should contain:

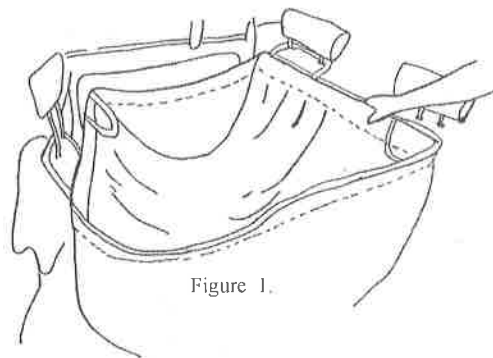

- 1 - Back Seat Saver with attached straps and front pocket.
- 2 - Seat Belt Locking Clip.*Use only if your vehicle does not have rear headrests.

INSTALLATION INSTRUCTIONS:

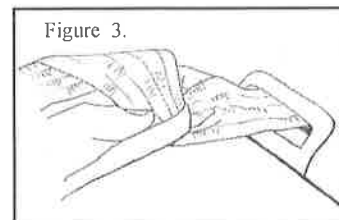

1. Place the Back Seat Saver into the rear seat of your vehicle. See figure 1.
2. Attach the front strap and clasp of the Back Seat Saver around the passenger side headrest or seat head cushioned area. Repeat for driver's side. See figure 2.

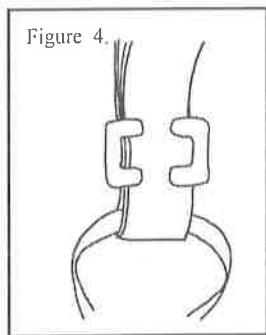

3. To secure strapping around the driver side and passenger side rear headrests, expand strap to accommodate the width of your head rest. If you do not have rear headrests, the Back Seat Saver is equipped with a seat belt locking clip. Simply pull seat belt all the way out, slowly, ensuring that the belt does not lock. Place strapping of the Back Seat Saver on top of the seat belt near the seat belt dispenser, while holding excess belt. See Figure 3.

Loop excess belt on top of Back Seat Saver strapping and hold approximately 3" above where the strap resides. Secure connection by inserting doubled seat belt through the bottom and top of the seat belt locking clip.

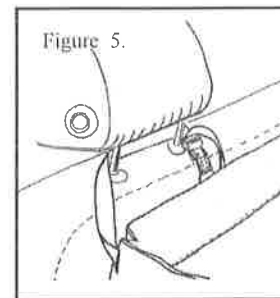

See figure 4.

4. For pet entry or for access into the Back Seat Saver, simply lower one of the straps by unbuckling it from the preferred front head rest. Simply re-buckle once all is in place.

5. Tighten the straps on the front head cushions to create the desired location for the Back Seat Saver. See figure 5. The base of the Back Seat Saver should rest on the vehicle's back seat.

Care and Maintenance:

Thank you for purchasing the Back Seat Saver. The following is a list of recommended maintenance procedures to assure many years of satisfactory service.

The Back Seat Saver utilizes a high quality durable fabric. It is designed to help keep your vehicle seat clean of pet hair or other dirt connected with traveling with a pet or a load of outdoor supplies. The nature of this fabric makes it easy to clean. Simply wash the Back Seat Saver briskly with a soapy solution of liquid dish washing detergent and warm water. Rinse thoroughly with clean water to remove soap before air drying. For severe soils, the Back Seat Saver can be machine washed. Allow to air dry.

CAUTIONS:

The Back Seat Saver is not to be used as a vehicle safety device. The Back Seat Saver will not restrain a pet if involved in an accident. The Back Seat Saver is water repellent; not water proof. The fabric will not contain spills.
