

Half Log Rack

*Congratulations on your purchase of the Hatteras Hearth Double or Single Log Rack Tarp.
We believe that you will find it a product of unsurpassed quality and durability.*

Half Log Rack Tarp

Covers and protects your logs and log rack from the elements.

- A side zipper lets you enclose unit completely while allowing for easy access to the wood.
- Provides an attractive covering.
- Made of soft, pliable, high grade, woven polyethylene - stronger, more puncture and tear-resistant than fabrics of equal weight.
- Treated with ultraviolet stabilizers on the outside to withstand color fading and warping in full sun or temperature extremes.
- Tailored in classic forest green.

Products of The HammockSource are guaranteed to be free of defects in workmanship and materials. If this unit is found, within its first 90 days, to be defective, it will be replaced without charge upon the return of the unit. A Return Authorization is needed for return.

If you have any questions about your new Log Rack Tarp, please contact us at:
